

Alta Mountain Biking is getting ready for a great 2022-2023 season and we would love for you to be a part of our team. In 2021, we had 77 student athletes, 62 ride leaders with 48 student athletes that qualified to race in the state championships and we have plans for growing this coming year. Our team exemplifies the NICA values of Equity, Inclusivity, Respect, and Community. We spend many hours on our local trails, riding, and maintaining them and each member is required to complete trail work. We are friendly and courteous to other trail users and aim to always be great ambassadors of the sport.

Sponsors are an important aspect of our team.

We are a 501(c)(3) non profit entity, which allows a tax deduction for your donation. We can provide a tax deductible donation receipt.

We realize that the “return on investment” may not be high, but the good that comes from supporting this program will last forever with the student athletes, and their families as we together instill in these kids a lifelong love of sport, community, teamwork and accomplishment. We would like to share a token of our appreciation for your generosity with the following benefits.
