

Thank you for considering sponsoring the Alta HS Mountain Bike team! Alta Mountain Biking is getting ready for a great 2024-2025 season and we would love for you to be a part of our team. Mountain biking is a life sport that we love and we love to share our love of it with as many students as possible. Through biking, kids learn that they can do hard things, overcome challenges and obstacles (in life and on the bike), that they are stronger than they think, and have the opportunity to make lifelong friends.

In 2023, we had 122 student athletes and 80 adult ride leaders, with 75 student athletes that qualified to race in the state championships and we have plans for growing this coming year. Our team exemplifies the NICA values of Equity, Inclusivity, Respect, and Community. We spend many hours on our local trails, riding and maintaining them, and each member is required to complete trail work. We are friendly and courteous to other trail users and aim to always be great ambassadors of the sport.

Your sponsorship support will help fund scholarships to families in need, provide team equipment, team building exercises, volunteer appreciation, and other team essentials.

Sponsors are an important aspect of our team.

We are a 501(c)(3) non profit entity, which allows a tax deduction for your donation. We can provide a tax deductible donation receipt.

The good that comes from supporting this program will last forever with the student athletes, and their families as together, we instill in these kids a lifelong love of sport, community, teamwork and accomplishment.

We would like to share a token of our appreciation for your generosity with the following benefits:
